

RESOLUTION OF AWARD IN THE MATTER OF THE PURCHASE
OF 10,000 FEET OF SIX INCH CONCRETE SEWER PIPE.

NOTICE TO BIDDERS

CANAL SEWER

The City Council of the City of Lodi, California, has received proposals for the material and labor required upon the project described above. The opening of the bids will be at the office of the Engineer of said City, bid opening will be at 10:00 o'clock P. M. on the 15th day of March, 1935, at the City Council Chamber, City Hall, Lodi, California.

All proposals must be sealed, bear the name of the bidder and be plainly marked **BID ON SEWER PIPE**. A cash deposit will be required and forms are necessary. It may be by meter, taking price per lineal foot for the quantity of material for the project less than that estimated in the lots of 1,000 lineal feet.

The material for the proposals will be as follows:

10,000 lineal feet of six (6) inch concrete pipe to be installed in the City of Lodi, California. The American Standard of Trade Mate Specification, C 14.35, saves. Except for such pipe shall be constructed of tongue and groove joints, of bell and spigot joints, of tongue and groove joints, to be made in accordance with paragraph 10 of the Standard Specification for the record Sewer and Drainage, C 14.35, of the City of Lodi, California.

Testing of the pipe.

This pipe, or any portion thereof, will be taken by City in its entirety at its demand and convenience in quantities of about 200 feet per day.

The City Council reserves the right to reject any and all proposals.

By Order of the City Council,
J. F. BLAKELY,
City Clerk

5-25.

DATED: June 6, 1938
